

Presenter: Ted Hodge, CEO and Founder of CCI Research Inc.

**April, 2018** 

**Prepared by:** 

#### **Presentation Overview**

- 1) Introduction
- 2) Methodology
- 3) Results
  - a. Planning and Consideration Before Transfer
  - b. Satisfaction and Feedback With the Transfer Process
  - c. ONTransfer.ca Experiences

## 4) Concluding Remarks

2018 ONTransfer.ca and Student Transfer Experience Survey

# Introduction

# **Project Objectives**

- A. Enhance understanding of students' post-secondary institution transfer experiences
- B. Document impact of transfer and improvements in the transfer process
- C. Understand student perspectives and concerns
- D. Identify and address gaps in the transfer process
- E. Better understand student awareness of transfer opportunities
- F. Communicate research findings to stakeholders in support of continued improvements

### **Project Tasks**

- 1) Interrelated surveys of students at three different stages of the credit transfer process:
  - **Stage 1:** Considering transfer to another institution;
  - Stage 2: Completing their first year of study after transfer; and,
  - *Stage 3:* Graduation after transfer.
- 2) Follow-up survey with students who participated in the 2016-17 ONTransfer.ca survey.
- 3) Regional focus groups with transfer students from the 3 stages of transfer.
- 4) Analyze and report findings about the factors influencing students' experience of transfer.
- 5) Report outlining ONCAT challenges faced by students and recommended directions for future improvement

2018 ONTransfer.ca and Student Transfer Experience Survey

# Methodology

# **Survey Modules**

- A Screening, Initial Demographics, & Background
- B Decided Not to Transfer
- C Considering Transfer
- D Transferring
- E One Year After Transfer
- F Graduating After Transfer
- G ONTransfer.ca Website Experience
- H Final Questions and Demographics

# **Sample Groups**

Decided not to Transfer N = 135

Considering Transfer

N = 783

Currently Transferring

Recently
Transferred
(within the last year)

Graduating
After Transfer

(graduating or graduated < 8 months)

N = 911

Recent visitors to ONTransfer.ca

N = 2,882

All Survey Respondents

N = 3,726

- Sample groups and results are organized based on transfer stage (modules B-F),
   ONTransfer.ca site visitors (module G), and all respondents
- Icons above are used in the presentation to indicate which sample groups were used to calculate results presented in graphs
